The Food and Beverage department of PYCC can satisfy your beverage needs before teeing off, during play, and following the round. To include our quality beverage services in your event, select the beverage outlets you wish to utilize, and then decide upon one of the following 3 options: 1. Players pay on their own. 2. Give# of tickets to each player. 3. All inclusive.

The Bayside Bar-

Open daily with a fully stocked beverage bar.

Beverage Carts-

We have 2 carts available at a fee of \$150.00 per cart. This fee includes stocking, driver fee and Ice for the day. \$150.00 Fee will be waived if Cart sales exceed \$1000.00.

Drink Stations-

Coolers can be stocked and stationed at most locations on the golf course. \$25.00

Halfway Snack Bar-

Open daily with a selection of sandwiches and other items and a stocked beverage bar.

Clubhouse Lounge-

Availability based upon size of Tournament Field

CONTRACTUAL AGREEMENTS

To secure a date for your event, we will need a contract signed and returned to PYCC. We require contracts for all groups with 30 or more participants. Below we have outlined the areas we will need to agree upon within the contract.

Price of Green and Cart Fees-

The prices will be clearly defined and unless Tax Exempt, a 7% tax will be added to agreed upon fees.

of Expected Players-

Any size group can reserve the course with tee times, but, there are a minimum number of players required to reserve the golf course for shotgun starts and course exclusivity. We require a minimum of 72 players to hold the course for a shotgun start, and a minimum of 92 players to hold the course exclusively for your event. Exact player numbers are difficult to predict prior to tee time, but good estimates are required 72 hours prior to starting time so the course can be effectively reserved. You will be responsible for paying for the total number of players who tee off, or 85% of your requested number of players, whichever is more.

Starting Time-

Starting times will be negotiated based on the expected size of the group. Straight tee times are available at most times throughout the day and most days through the week. Shotgun starts are restricted to afternoon starts, except on Monday, and are available throughout the year, on a limited basis.

Fees of Optional Golf Services-

Some options require additional staffing and fees have been established for these options.

Fees for Beverage Services-

Beverage products require additional staffing and ordering of beverage products. Fees have been established appropriate to the services selected.

Food Service Options and Prices-

All food options with prices will be decided upon and all fees will be listed. All food options require a 20% gratuity to be added to the final food price and, unless tax exempt, a 7% tax must also be added.

of People Expected for Food-

We need to order all food 72 hours prior to the start of the event, and at that time, you will be required to give us a final count of players, organizers and volunteers expected for food.

Venue for Food-

A venue will be selected based on availability.

Donated Food & Beverage-

Donated food and beverage will not be permitted.

Tax Exempt-

In order for us not to charge your event tax, a copy of your groups tax exempt certificate must be given with your deposit.

Deposits and Payments-

We require 1/2 of the expected golf green and cart fees as a deposit no less than 1 month prior to play date, and can be paid with a company check, master card or visa. The final fees will be collected on the day of the event following player registration, and can also be paid with cash, company check, master card or visa.

Dress Codes-

All players and volunteers will be required to follow the clubs dress codes for the golf course and clubhouse.

Rain Outs-

Once play has begun, all food and beverage charges will be applied. Provisions for golf will be made based on the number of holes completed.

TOURNAMENT PRICING STRUCTURE
